## **London Interior Show 15th - 17th September, Chelsea Harbour Hotel**

Back for its second year, the London Interior Show 2019, an independent trade-only pop-up located in the beating heart of London's Design District, its main aim is to shine a light on designers and manufacturers not generally seen in this area. For some exhibitors, it will be the only chance they have to showcase their new collections in London.

### **Where and when?**

Taking place during London Design Festival 2019 and situated in the opulent Chelsea Harbour Hotel, the London Interior Show is perfectly timed for visitors attending the numerous events and exhibitions during London Design Week. It runs from the 15th to the 17th September, starting at 11am - 6pm on the 15th, 10am - 6pm on the 16th and 10am - 4pm on the 17th.

Our location at the luxury 5\* Chelsea Harbour Hotel is an excellent base for exploring Chelsea, and all the Design Centre has to offer. It is the only show of its kind for the high-end UK interiors industry and proved a great success last year - we had a jam-packed show which saw thousands of visitors be the first to see all our hand-selected exhibitors new collections.

### **What makes the London Interior Show different?**

The show aims to help those in the know uncover new designers and manufacturers and engage with those without a London Design Centre presence. We've kept it simple, so explore at your leisure. There are no scheduled theatrics drawing large crowds, come and go as you please during the day and enjoy the relaxed atmosphere.

### **Our hand-selected exhibitors**

This collective of 24 unique brands has been curated and not coerced! Selected based on their absolute commitment to great design and quality manufacture - not just on status or size.

Expect to see emerging new designers and makers stood shoulder to shoulder with established global brands in an atmosphere developed to help strike up conversations and foster working relations in a creative setting.
